

inserti e utensili speciali con placchetta in PCD e PCBN

special inserts and tools with PCD and PCBN tip

nb: ringraziamo i clienti che ci hanno dato il permesso di pubblicare i vari schizzi, studi e disegni.

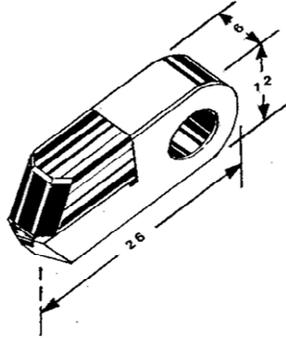

nb: we thank customers who have given us permission to publish the various sketches, studies and drawings.

DIATEC

Utensili s.r.l.

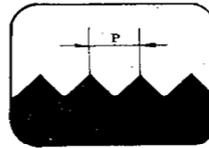

UTENSILI PER MACCHINE DIAMANTATRICI E DECORATRICI

- Nuovo stelo in acciaio inossidabile ad alta resistenza meccanica.
- Aumentata ritenzione del diamante nella incastonatura sinter-setting.
- Eliminata la sede di vite sul tegolino per evitare l'interferenza con il grano di posizionamento sulla ventola diamantatrice.
- Vite di bloccaggio rettificata a filo del lato inferiore per eliminare discontinuità superficiali.

profilo del tagliente

Oltre ai profili di catalogo, vengono eseguiti profili speciali e su disegno del cliente.
